University of Mississippi Medical Center
Attn: Ms. Sheila W. Kearney, PMP
Sent via email to skearney@umc.edu

Dear Ms. Kearney:

To my knowledge as of the date of this letter, RosettaHealth is the only Health Information Service Provider vendor that has built and implemented the required web service to enable the transmission of data between an Epic customer's instance of Epic's Bugsy module and the CDC's National Healthcare Safety Network (NHSN) via NHSN Direct.

Please let me know if you have any questions.

Sincerely,

Brandon Staunton
